## Mister Talker and the Walker

Once upon a time, a long time ago, a little man was walking, walking in the snow.  
"How come you are walking?" said the talker in the sky.  
"How come you are walking when it's much more fun to fly? "  
"That is very silly", said the man down on the ground.  
"People can not fly, and I need to get to town".  
"Why don't you try hopping, hopping in the air? "  
The man he tried to hop but it did not get him there,  
"Just one minute, I have no idea. I will be right back. "  
The little talker in the sky came riding in a truck.  
"Hop on board", the talker said."Why thank you very much! "
